23rd January 1976

Dear Sir/Madam,

Thank you for your order for sets of our island postmarked First Day Covers. You will notice that all but one of these covers, are datestamped January 1st 1976. This was the first day of issue of TUVALU Stamps, at most of our post offices. In the case of NIULAKITA the Postmark is the 21st January 1976, this was the date our stamps were first available for sale from this island.

NIULAKITA

This is our most southernly island in the group, and also the smallest, it is only served by shipping a few times a year. The 21st January 1976 was the first opportunity for a ship to visit this island.

Thank you for your interest in our stamps.

Yours Sincerely,

A. Kennett
